**Animal Magic-** Join us as Mark Rosenthal, a professional animal educator and entertainer, gives us an up close experience with some of the world's most exotic animals. Mark's unique blend of exotic animals, life sciences, and magic have made him one of the most sought after acts in the country! In 2010 Mark was named Nickelodeon's Entertainer of the Year.

**The Amazing Race-** On your mark, get set, GO! Join us for an awesome afternoon as we split into teams and race around campus to try and be the first team to complete all the challenges. Challenges include activities like zorbing, water balloons, and mind puzzles plus there will be plenty of detours and pit stops along the way.

**Backyard Olympics-** Get ready for the annual Shine Day camp Olympic games! We will divide up into teams and compete against each other in loads of traditional and non-traditional Olympic events such as the discus throw, hurdles, and gaga ball. The winning team not only gets bragging rights but an amazing prize as well!

**Livonia Rec Center-** Join us as we make a special trip over to the Livonia rec center. Kids will be able to play in the lazy river and splash pad, fly down the waterslide, play sports in their gym, climb their tree fort and so much more.
